HydroAire: A Partner in Sustainability

Hydro was recently featured in a short video produced by ArcelorMittal, the world's leading integrated steel and mining company, about our combined efforts in saving energy and increasing pump efficiency.

> *"Water is critical to our operations. ArcelorMittal's partnership with HydroAire, a Chicago company, helps us work toward one of the 10 sustainable development outcomes: to be a responsible energy user that helps create a lower carbon future."*
