

George Harris Elected to Hydraulic Institute Board of Directors

On February 13th, 2012, George Harris, President of Hydro Inc., was elected to the Hydraulic Institute Board of Directors. The Hydraulic Institute (HI) is the largest association of pump producers and suppliers to the pump industry in North America and a global authority on pumps and pumping systems. Its mission is to serve as a forum for the exchange of industry information, while providing value-added services to member companies and pump users worldwide.
