

Hydro Invited to the Pipeline Energy Group Conference in New Orleans

Jeff Johnson, Vice President of Hydro's Petroleum and Pipeline Service Division, presented at the 2012 Pipeline Energy Group Conference, which was hosted by Louisiana Off Shore Oil Port (LOOP). In keeping with the group's dedication to mindful energy consumption, Jeff Johnson's presentation discussed how to improve pump efficiency and how energy usage can be reduced as a result of improvements in pump efficiency. Jeff received positive feedback and Hydro is honored to have been invited back to speak at the 2013 Pipeline Energy Group conference. To learn more about ways to improve your pumps' efficiency, contact Jeff Johnson at 281-475-9680.
